Note 5

On June 24, 2016, NS Hong Investment (BVI) Limited (“**NS Hong**”) and Meridian Investment Group (Pte) Limited (“**Meridian**”) entered into a Loan Agreement, pursuant to which Meridian advanced \$4,058,500 for payment of professional fee advances. The parties subsequently agreed that such advances should be deemed capital contributions to NS Hong. NS Hong has not yet issued shares to Meridian for such capital contribution. These statements reflect such payment as a capital contribution.¹

The fee advances were advanced from NS Hong on behalf of Pacific Andes International Holdings Limited (Bermuda) (“**PAIH (Bermuda)**”) in connection with these chapter 11 cases. The fee advances were initially fully expensed on NS Hong’s books in error prior to the petition date. As a result, they were not recorded in the Debtors’ balance sheets included in the MORs prior to September 2016. For the September 2016 MOR, the Debtors corrected their Profit and Loss statement and Balance Sheet at September 30, 2016, to include the professional fee expense (for the three months July through September 2016) and professional fee advances balance for the month of September, respectively.

The following additions were made to the balance sheets and profit and loss statements for NS Hong and PAIH (Bermuda) to reflect the transactions related to the fee advances:

NS Hong:

Balance sheet: Due from PAIH (Bermuda) \$4,058,500; Equity investment by Meridian \$4,058,500

PAIH (Bermuda):

Balance sheet: Other current assets – Fee Advances: \$4,058,500; Due to NS Hong \$4,058,500

Profit & Loss: Restructuring expense - professional fees: \$2,242,385 (July thru September 2016 expense)

Note 6

Intercompany Transactions

Investigation and reconciliation of intercompany claims is ongoing and the Debtors reserve the right to assert intercompany receivables and/or dispute intercompany payables.

The Debtors have endeavored in good faith to identify the assets owned by and the liabilities owed by each Debtor. While the accompanying schedules reflect the results of this effort, several factors may impact the

¹ On June 24, 2016, NS Hong and Meridian entered into an agreement to swap 61% of the shares of ACL Limited (BVI), currently wholly owned by NS Hong for a 16% interest in Meridian. However, the conditions to such swap were not satisfied and the transaction proposed under the agreement was not consummated. This statement, therefore, does not reflect such exchange.

ability of the Debtor precisely to assign assets and liabilities to a particular entity (including the Debtors or non-Debtor affiliates), including, but not limited to: (a) certain assets may be primarily used by an entity other than the entity that holds title to such assets according to the Debtors' books and records; (b) certain liabilities may have been nominally incurred by one entity, yet such liabilities may have actually been incurred by, or the invoices related to such liabilities may have been issued to or in the name of, an affiliate; and (c) certain creditors of the Debtors may have treated one or more of the Debtors and its affiliates as a consolidated entity rather than as differentiated entities.

Postpetition Intercompany Transactions

During the postpetition period, the Debtors received funding for third party payments by two methods: (a) payments made by Debtors on behalf of other Debtors ("**Debtor Funding**"); and (b) payments made by non-Debtor affiliates on behalf of Debtors ("**Non-Debtor Funding**").

- Debtor Funding – During the postpetition period, payments were made by Debtors on behalf of other Debtors for operating expenses and UST fees because several Debtors either had insufficient cash or no bank accounts to pay for such expenditures. The Debtors accounted for these transactions as intercompany payables/receivables among the Debtors.
- Consolidation of funds to Treasury Company – Pursuant to the Cash Management Order [Dkt. Nos. 93 and 258], during October, the Debtors closed almost all their foreign bank accounts and consolidated the funds in a U.S. bank account held by CFIL (a treasury company) and maintained at Signature Bank. The Debtors accounted for these transfers to Signature Bank by recording journal entries between CFIL and the affiliated Debtors through intercompany accounts.
- Non-Debtor Funding – During the postpetition period, there were two types of transactions between Debtors and non-Debtors: transactions between Debtors and non-Debtor affiliates resulting in payments by non-Debtors to Debtors; and transactions between Debtors and third parties that were paid for by non-Debtors. The Debtors account for both types of transactions through journal entries. The following is a summary of these transactions:

Transactions between Debtors and non-Debtors:

PAIH: From its petition date through April 16, 2017, PAIH (Bermuda), a Debtor, recorded approximately \$200,000 in monthly interest income from PAIH (BVI), a non-Debtor affiliate, through April 16, 2017. The interest resulted from prepetition loans made by PAIH (Bermuda) to PAIH (BVI). Each month, PAIH (Bermuda) recorded a receivable due from PAIH (BVI) for this interest obligation. Following commencement of a chapter 11 case for PAIH (BVI) on April 17, 2017, interest no longer accrued on the prepetition loans made by PAIH (Bermuda) to PAIH (BVI).

The intercompany receivable balance increased on PAIH (Bermuda)'s books each month. That balance was reduced when payments were made by non-Debtors to or on behalf of PAIH (Bermuda) in satisfaction of obligations owed by such non-Debtors to PAIH (BVI). See discussion below. PAIH (BVI) does not make the monthly interest payments due to PAIH (Bermuda) directly because PAIH (BVI) is a holding company and has no operations or bank accounts.

CFGL Singapore: CFGL Singapore ("**CFGLS**"), a Debtor, provides application management and SAP services to two Peruvian entities (CFG Investment SAC and Corporacion Pesquera Inca SAC) in consideration of approximately \$110,000 per month. CFGLS records an intercompany receivable from these entities each month and in turn records an intercompany payable to a non-Debtor affiliate (Paramount Holdings Limited) that owns the licenses for the software provided by CFGLS to the two Peruvian entities. The monthly accrual of IT service revenue under CFGLS is subject to a 30% statutory local governmental withholding tax in Peru. Postpetition, the Peruvian entities have not remitted payment to CFGLS or the Debtors, and the Debtors have not remitted payments to Paramount.

Cash paid by non-Debtors on behalf of the Debtors:

During the postpetition period, certain non-Debtor affiliates made payments to third parties to satisfy the Debtors' administrative expenses. These payments are summarized as follows:

- Payments made to satisfy PAIH (Bermuda)'s obligations to third parties. During the postpetition period, certain non-Debtor affiliates (primarily Pacific Andes Enterprises (HK) ("**PAE HK**"); Quality Food (Singapore) Pte. Limited ("**Quality Food**"); and Champion Shipping Limited ("**Champion Shipping**") made payments on account of postpetition liabilities owed by the Debtors. In addition, those three non-Debtor entities made payments on behalf of other non-Debtors. These payments were treated as having been made on account of PAIH (BVI)'s obligation owed to PAIH (Bermuda) which is discussed above. The Debtors' journal entries reflect those transactions as intercompany accounts payable to PAIH (Bermuda) (as opposed to an intercompany account payable to PAE HK, Quality Food, or Champion Shipping). Since its petition date through the month of April 2017, PAIH (Bermuda) recorded interest income due from PAIH BVI on account of its outstanding loan obligation of approximately \$2, 277,000. Total payments made by non-Debtor affiliates for PAIH's obligations during the postpetition period on behalf of PAIH BVI was approximately \$9,696,000.
- Payments made on behalf of Pacific Andes Enterprises (BVI) Limited ("**PAE (BVI)**"). PAE (BVI) and PAE (HK) historically functioned as the treasury companies for the PARD and PAIH groups, respectively. In addition, PAE (BVI) acted to centralize the recording of the payments made by the PAIH or PARD group companies on behalf of the CFGL group of companies.

Postpetition payments were made by PAE HK and Quality Food for postpetition expense obligations of two Debtors: CFGL and China Fisheries International Limited (Samoa) ("**CFIL**"). These payments (which were staff payroll, directors' salaries, and ordinary course professional fees) were recorded by the Debtors as amounts paid on behalf of PAE (BVI) and reflected as intercompany payables owing from the Debtors to PAE (BVI).

- Payments made directly by non-Debtor affiliates on behalf of the Debtors. Payments were made by Sustainable Fishing Resources S.A.C. ("**Sustainable**") to cover the payroll for crew employed by South Pacific Shipping Agency ("**SPSA**"). These payments were recorded as an intercompany payable due from SPSA to Sustainable.

Note 7

Payments to the directors of PAIH (Bermuda), PARD, and CFGL include both independent and non-independent directors, as follows:

	PAIH		
	(Bermuda)	PARD	CFGL
	(\$000's)	(\$000's)	(\$000's)
<i>Independent Directors</i>	\$ 11.5	\$ 107.2	\$ 9.0
<i>Non-independent Directors</i>	\$ 51.0	\$ 25.4	\$ 20.7
<i>total</i>	<u>\$ 62.5</u>	<u>\$ 132.6</u>	<u>\$ 29.7</u>

- Payments to PARD independent directors are made annually. All other payments to directors for PARD, PAIH, and CFGL are paid monthly.
- PARD independent director payments have been paid by non-Debtor Quality Food on behalf of PARD.
- CFGL independent director payments have been paid by CFGL PL, a Singapore Debtor, since the independent directors are based in Singapore

- Commencing June 2017, all directors of PAIH (Bermuda) (independent and non-independent), PARD and CFGL non-independent directors were paid by PAE Limited (“**PAE Ltd**”) on their behalf. Prior to June, such payments were made by Pacific Andes Enterprises (Hong Kong) Limited (“**PAE (HK)**”).
- The above directors’ payments were paid directly by non-Debtors and other Debtor affiliates. Although cash was not transferred to PAIH (Bermuda), PARD, and CFGL, the amounts are reported as expenditures of each respective Debtor and advances from the paying entity for reporting purposes. Such advances were recorded as intercompany loans on each respective Debtor’s balance sheets.

Note 8

On November 10, 2016, the U.S. Trustee sought approval of William A. Brandt, Jr., as the Chapter 11 Trustee of CFG Peru Singapore [Dkt. No. 218]. On that same date, the Court entered an order approving the selection of Mr. Brandt as the Chapter 11 Trustee. [Dkt. No. 219]. On March 6, 2017, Mr. Brandt filed his first MOR for the period November 10, 2016 through November 30, 2016, for CFG Peru Singapore and Protein Trading.

Pursuant to the CFG Peru Singapore MOR prepared by Mr. Brandt, the Chapter 11 Trustee plans to refile the MORs for the time period covering November 10, 2016 through January 31, 2017. The Chapter 11 Trustee will take responsibility for filing future MORs for CFG Peru and Protein Trading. Accordingly, the MOR reported herein excludes the activity for CFG Peru Singapore and Protein Trading.

Note 9

Certain Debtors have made fee advance payments to retained professionals and the amounts have been recorded on the books of those Debtors. Irrespective of this asset being recorded on one Debtor’s books, the fee advances were made on behalf of all the Debtors. For purposes of these interim MORs, no allocation has been made to reflect the fee advance balances on each of the Debtors’ books.

Note 10

Debtor PARD recorded a tax accrual in its financial statements of US\$1.168 million and US\$0.865 million relating to Hong Kong profit tax liabilities incurred during the years 2013 and 2014, respectively.

Pursuant to Meyer Suozzi's fee order, they applied their remaining fee advance balance of \$189,462.75 that they were holding against their awarded outstanding fees.

After application of their fee advance, they were owed \$180,622.47 in connection with the Final Order.

As set forth in their fee order, Meyer Suozzi may renew its request, under their Final Fee Application, for an award and payment of the remaining \$180,622.47 in Holdbacks at a time when the Debtors have sufficient cash to pay same, to be determined in consultation with Debtors' bankruptcy counsel.

Certain Debtors have made fee advances to retained professionals and the amounts have been recorded as an asset in Fee Advances on their respective balance sheets. Irrespective of this asset being recorded on one Debtor's books, the fee advances were made on behalf of all the Debtors. For purposes of these interim Monthly Operating Reports, no allocation has been made to reflect the fee advances on each of the Debtors' books.
